## TOWN COUNCIL OF GRANGE – OVER – SANDS

### C22/141 Public Participation: Public Have Your Say

2

**Resident 1** Made representation to the meeting regarding Item 7, Planning, asking what 'Discharge of Conditions' means in a planning application.

**Resident 2** Made representation to the meeting about road safety at Crown Hill roundabout, asking that the Town Council request Westmorland and Furness Unitary Councillors to review traffic safety measures in Grange.

**Council Response** The Chairman asked Shadow Westmorland and Furness Councillor Peter Endors to respond. He asked the resident to email details to him.

### C22/142 Reports

3

#### District Council Report

District Councillors Fiona Hanlon and Robin Ashcroft sent apologies.

District and Shadow Unitary Councillor Peter Endors reported that:

1. **Councillor Surgery** – attended with Cllr. Tricia Thomas. Various matters were raised including concerns from Prom Art about the Prom refurbishment, residents concerned about trees being felled in Kents Bank and trees fallen after Storm Arwen still needing to be moved. Tim Farron MP would like to attend the next Surgery.

2. **Grange Ambulance Service** – the move to the Fire Station is progressing, hopefully to take place in August.

Cllr. Bailey asked about the Council Tax Grants being withdrawn. Cllr. Endors asked the Clerk to email details to him.

Cllr. Thomas asked about the bill for street lighting – this year it will increase the Precept by 8%. This is charged to residents, and the Town Council gets no detail on what this money is spent on. The charge has increased by 62% since last year.

The Chairman requested that the Precept bill to residents is amended so that this charge is not shown as being demanded from the Town Council. It has always been included in the % increase to the Town Council, although the money does not come to the Town Council.

The Town Council requests that the % charge for the street lighting is listed separately to the % demand from the Town Council on residents' bills.

The current way that the bills are issued makes it appear that the Town Council is asking for (and getting) more money than it is actually asking for (or getting).

# TOWN COUNCIL OF GRANGE-OVER-SANDS

Cllr. Endsor asked the Clerk to email details to him.

## County Council Report

County Councillor Bill Wearing reported that:

1. **Storm Arwen** – responding to Cllr. Endsor, confirmed that the land where the fallen trees are is not owned by the County or District.
2. **Have Your Say** - responding to resident's concerns about traffic safety at Crown Hill roundabout, will report the problems to the new WFC staff.
3. **Windermere Road Flood Scheme** – works started today.
4. **Meathop Road and Golf Club** – this has recently flooded, and the County Council have been involved in helping.
5. **County Council Health Advice** – circulated information about flu and covid, both more prevalent this year because people have not been mixing.
6. **Cost of Living** - funding for schools approved, £2m allocated for children's meals.

Cllr. A. Walmsley raised problem of potholes in Fernleigh Road, Cllr. Wearing will report this.

*County Councillor Bill Wearing left the meeting.*

a. **Council Tax Base**

Members noted:

This is the number of dwellings liable for Council Tax, expressed as an equivalent number of band D dwellings for the Town.

South Lakeland District Council (SLDC) calculate the number.

Previous draft 2023/24 budgets considered by the Town Council (GTC) were calculated on the assumption that the Council Tax Base would remain at 2,170.88. The decrease or increase in properties will affect Council Tax bills.

**At the time of agenda publication, SLDC had not confirmed the Council Tax Base for 2023/24.**

Members noted subsequent correspondence from SLDC.

The Chairman updated the meeting that SLDC have confirmed that the Council Tax base for 2023/24 is 2,171.08, an increase of 0.2 properties.

b. **Street Lighting Charge**

Members noted:

**At the time of agenda publication, SLDC had not confirmed the Street Lighting Charge for 2023/24.**

The District Street Lighting Charge for 2022/23 was £11,606.47.

This is the money that shows on residents' bills as part of the GTC Precept demand. However, it does not come to the Town Council. The District Council retain it.

The calculations to show how the SLDC Lighting Charge affects Council Tax bills for Grange residents cannot be done until the Precept demand is agreed and formally resolved.

The Chairman updated the meeting that the Street Lighting Charge 2023/24 will be £18,811.87. This is a 62% increase on last year.

SLDC correspondence advises parish and town councils to assume there will be no Council Tax Grant.

The effect of not getting the Council Tax Grant is that residents will bear the entire cost of the street lighting charge.

In previous years, SLDC calculations meant that the grant offset the street lighting charge, so that residents only paid the difference, not the whole amount.

## TOWN COUNCIL OF GRANGE – OVER – SANDS

This will mean that the entire charge - £18,811.87 – will be levied on top of the demand from Grange Town Council.

This year a Band D household in Grange will pay £8.66 (72 pence per month) to SLDC.

This is calculated by dividing the street light charge of £18,811.87 by the Council Tax base of 2171.08.

This will increase residents' bills. Any increase from Grange Town Council will be in addition to this.

Residents' bills show any changes as a percentage figure.

The Street Lighting charge is shown in the Grange Town Council section of Council Tax bills although the money does not come to the Town Council.

### c. **Council Tax Grant**

Members noted:

The Council Tax Grant is given by SLDC to supplement the Precept. The Council Tax Grant for 2022/23 was £8,238.80.

**At the time of agenda publication, SLDC had not confirmed the Council Tax Grant for 2023/24.**

The Chairman updated the meeting that SLDC have told parishes to assume there will be no Council Tax Grant.

### d. **Budget 2023-24**

Members considered the revised draft Budget 2023-24 and Summary and Key Features.

It was discussed that the budget needed to cover rising utility, running and maintenance costs for the three blocks of public conveniences and Victoria Hall.

The Hall roof is leaking badly in two places now, into Rooms 9 and 4 and at the back of the dressing rooms. The building is at risk if Grange Town Council does not maintain it.

Upgrades to the fire alarm system are required by the annual inspection. It is anticipated that the fire risk assessor booked for January 26 will advise further changes and improvements to ensure safety.

The cost of utilities has gone up demonstrably – the most recent gas bill for the Victoria Hall, on the payments list for this meeting is £2,204.75 for November 2022.

## TOWN COUNCIL OF GRANGE-OVER-SANDS

The bill for November 2021 was £573.97. Hire rates have increased since 1 January 2023 to cover some of these costs.

All costs are escalating. A maintenance quote for a burst pipe in the Church Hill public conveniences for £1,623.91 plus VAT has been received today.

### **RESOLVED**

That the budget as presented with £213,740 Precept income in the draft Budget 2023/24 and the Budget Summary and Key Features were approved.

#### **e. Precept 2023-24**

Members considered the Precept for 2023/24.

### **RESOLVED**

That the Precept for 2023/24 was approved as below, to increase Grange Town Council income by £13,983 to £213,740 and that Cllrs. Thomas, Walmsley and the Town Clerk sign the South Lakeland District Council Precept Form.

Notes:

Last year's Precept was £199,757.00.

This year's will be £199,757.00 plus the increase of £13,983 resolved by the Town Council plus the £18,811.87 street lighting charge.

The total amount of money that SLDC will collect from Grange residents will be £232,551.87.

This charge is divided by the Council Tax base of 2171.08 to give a Band D charge of £107.11. Last year, Band D households paid £93.57.

Therefore, this represents an annual increase of £13.54 (£1.13 per month).

Council Tax bills this year will show an overall increase of 14.5%. However, this includes the £18,811.87 SLDC Lighting Charge, which does not come to the Town Council but is retained by SLDC.

Without the street lighting charge, the Band D household charge would increase from £93.57 to £98.45.

This is calculated: last year Precept (£199,757) plus resolved increase (£13,983). Total (£213,740) divided by Council Tax base (2,171.08) = £98.45.

### C22/152 SLDC Recreation Ground Inspection

13

Members noted that SLDC inspected the Recreation Ground on the Prom (see correspondence below received 23 December 2022).

Members noted the report and considered any actions required.

*We have recently had all our play areas independently inspected due to SLDC purchasing a licence to enable our inspectors to carry out inspections using an app on a portable tablet.*

*The reason for my contacting you at this time is because the inspector perhaps parked at Yew Tree Fields and walked past your play area at the Donkey Paddock. He has inspected the area believing it to be ours. I have enclosed a copy of his report for your records.*

*There are no issues to be concerned about but some minor findings may require remedial work.*

*You will notice that there are a couple of photos showing our site further along the promenade. He has used these for reference when compiling his report on site and was unable to remove these once the report was generated. Our future Annual reports will be in the same pdf format as this is the same app we shall be using from January 2023.*

### C22/153 Christmas Lights

14

Members noted that the cross-street display and lights on lower Main Street were switched off over Christmas. These lights are powered by Hackney and Leigh Estate Agents from their premises. During the extreme cold weather, the Christmas lights caused the supply to their office to short-circuit. Discussion is underway with Lite Ltd. and Hackney and Leigh to resolve this.

### C22/154 Next Meeting

15

Members noted that the next Full Council Meeting would be held Monday 13 February 2023, 7.00pm Victoria Hall, Main Street, Grange-over-Sands.

There being no further business, the meeting closed at 8.25pm.
